Permit No. 1983-010-SPX

August 30, 1983

Land and Lakes Company
123 North Northwest Highway
Park Ridge, Illinois 60068

Attention: Mr. James Cowhey

Dear Mr. Cowhey:

Experimental Supplemental Permit is hereby granted to Land and Lakes Company to operate in the area designated as Phase IC at the above referenced site, all in accordance with the request by Don R. Fielding, P.E., dated August 4, 1983 and received by the Agency on August 9, 1983. This Experimental Supplemental Permit is further subject to the following special conditions.

1. This permit will expire on October 15, 1983. Prior to reissuance, the applicant shall provide sufficient information to demonstrate that the permeability does not exceed 1×10^{-7} cm/sec throughout the upper five (5) feet of the liner in Phase IC. To allow adequate time for Agency review, the application for reissuance shall be made at least 30 days prior to the expiration date of this permit.
2. This permit is to allow the use of only that portion of the site designated as Phase IC, as shown on the revised plan sheet (drawing number 1750) received by this Agency on August 9, 1983. No waste may be deposited in any additional areas until they have been developed according to the plans, and Supplemental Operating Permits for the developed areas have been obtained. The present and future areas shall be marked at the corners with orange stakes.
